With today's economy so challenged, many of us are in need of jobs or extra jobs to support ourselves or our family. An idea was brought to us: the church running a list of people who have skills that can be offered to our congregation to help each other. Financial or barter arrangements are between the parties.

If you are looking for work or you need to have some work done - what better way to serve each other than by having someone from your own church help you out!

If you have a skill or work in a field that you would like to advertise in the Church Classifieds, please list your name, type of work and a phone number(s) where you can be reached.

Some ideas are: Home Maintenance & Repairs, Auto Repairs, Dog Walking or Sitting, Babysitting, House sitting, Haircuts, House Cleaning, Painting or Wallpapering, Lawn Care or shoveling, etc.

Please fill out this form and drop it in the offering plate.
